

Fertility: Invisible Journeys Open Call Submission

Fertility: Invisible Journeys is an open exhibition that invites artists and creatives based in London, the South East and East England to explore the diverse realities of fertility and reproductive health.

We welcome work that reflects the biological, emotional, social, cultural, and environmental dimensions of fertility, helping to raise awareness, encourage conversation, and reduce stigma.

We encourage diverse interpretations of these themes and welcome work that challenges assumptions, sparks dialogue, and promotes greater understanding.

Please submit this form by **23:59 Friday 9th October 2026**.

You will be notified of the outcome of your application by Sunday 18th October. If your work is selected we will be in touch with next steps.
